Merci à Francois, Laurent et Christophe qui sont venu participer aux activités ce midi. Nous avons nettoyé, enlevé de la rouille et préparé pour peinture des éléments de la direction, (tube du crémaillère, un bras de direction, la colonne de direction, et aussi nettoyé des pièces des étriers de frein. Voici quelques photos :

Cet après-midi, normalement, notre moteur devrait tourner pour la première fois depuis XX (ça vient de se faire selon un message de notre équipe de mardi aprèm). Bravo à tous, ça change par rapport au 3 janvier dernier ☺

Cordialement, Ted Brambley
